TAA Compliance: This product is manufactured in France, a TAA-designated country, and is fully compliant with the Trade Agreements Act (17 U.S.C. & 2501-2581).

Manage your multi-screen production with ease

The Control Box³ is an ergonomic and compact solution designed to operate your LivePremier™ series, your Alta 4K series or your Midra™ 4K series with ease and comfort. Thanks to the 105 physical key buttons, Control Box³ gives instant access to the screens, sources and memories, and embeds a T-Bar for smooth manual transitions. Its illuminated keys are designed for fault-free operation, allowing users to focus on the action and not the user interface.
